'I'
sca

Hayden Kays
 'Love Always Wins'

J&D say: 'Hayden Kays is certainly on trend with his extraordinary rendition of noughts and crosses reworked as hate versus love. He is being especially dismissive and cutthroat to the superior Nazi intellect, since the ratio of five

swastikas to four hearts indicates that the Nazi player went first in the game and yet still managed to lose. Ha ha ha, I mean, what a fucking idiot!' ■

→ Jake and Dinos Chapman:

'The Disasters of Everyday Life' is at Blain Southern.
 ☉ Oxford Circus. Wed Oct 4-Nov 11. Free.

'fucking idiot'
