## One To Watch: Nina Fowler, artist, 31

Friday 26 October 2012 23:00 BST | [0 comments](#)

Collectors of Fowler's precise drawings and sculptures of early movie stars include Jude Law, John Maybury and Jonny Lee Miller. After studying sculpture at Brighton University, she worked as archivist to John Dunbar, ex-husband of Marianne Faithfull and co-founder of the Sixties Gallery Indica. She lives in Shoreditch with her partner, the artist Craig Wylie and is the face of The Other Art Fair, where she will be selling her work next month.
