DON'T MISS THESE EXHIBITIONS

Harry Spike, 'Dig', Cob Gallery

Until 28th February 2026

84a Lamb's Conduit St, London WC1N 3LT

If you don't mind a bit of mud under its fingernails, 'Dig' at Cob Gallery is the one. Painter Harry Spike tunnels into the folklore and landscapes of the Peak District, exploring stone circles and burial mounds in a show that feels like a literal breath of fresh air. -
